GLOBAL MILSATCOM

CONFERENCE & EXHIBITION

*26 years of connecting
the MilSatCom community
for the best intelligence
and vital insights*

FOCUS DAY: SATCOM ON-THE-MOVE
4 November 2024 | London

CONFERENCE: GMSC MAIN EVENT
5-7 November 2024 | QEII Centre, London

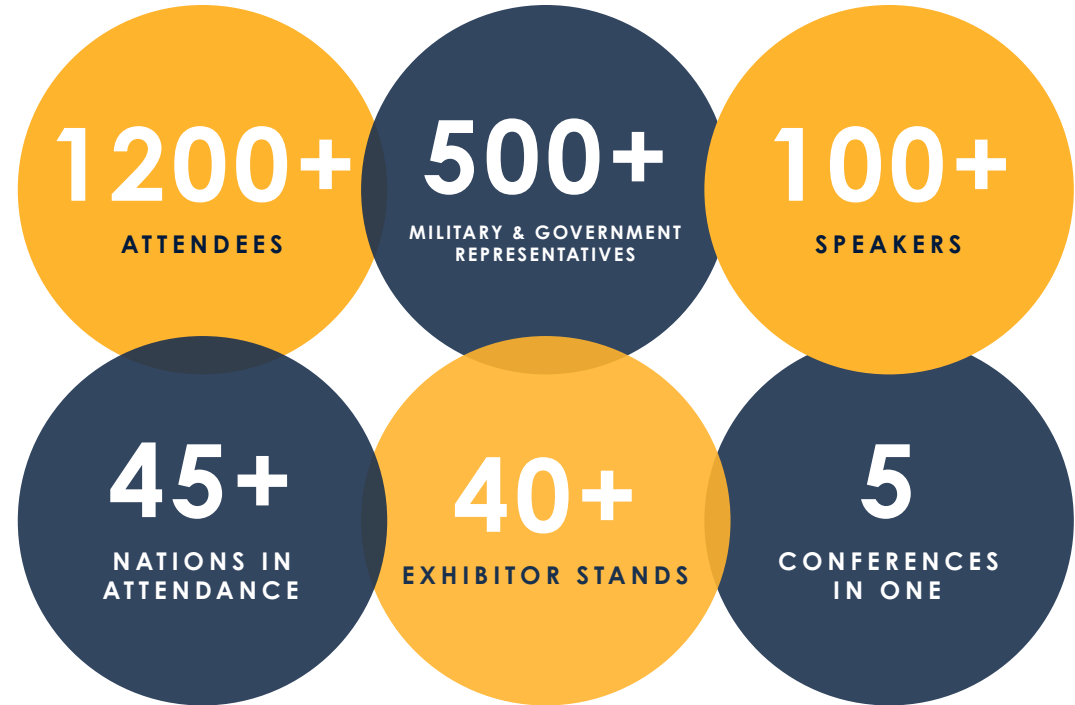

OFFICIAL CHARITY PARTNER:

Enabling you to **Connect** with, **Learn** from and **Shape** the **MilSatCom Community**

In a world where MilSatCom plays an increasingly vital role, and with a plethora of solution providers in the market, ensure your brand stands out as a leader in the field.

Join the longest-standing event in MilSatCom which brings together the largest ever military audience. There is nowhere else where you will get this level of access, as for the first time we open the doors for military and government to attend for free.

New for 2024

Advisory Board

Free for Military to Attend

Championing Women in MilSatCom Forum

Global Connect App

SME Expo and Innovation Stage

A steer from the **biggest** industry and military **experts**

We've created our first ever Advisory Board, powered by SATCOM experts, from across Industry and Military organisations. Their advice and guidance will support the events 25 years heritage to ensure Global MilSatCom continues to be the premier meeting place in the market.

Meet the titans of MilSatCom shaping this year's conference

Captain (RN) Phil Coope,
Deputy Head – Space,
UK Strategic Command

Captain (N) Jose Freitas,
Head of Space Department,
Portugese General Staff of
Armed Forces

Chris Moore,
VP Defence & Security,
Government Relations,
Eutelsat Oneweb

Colonel (Ret'd) Jennifer Krolkowski, Former
Chief Information Officer,
Space Systems Command,
CEO, PlanZ

David Dean,
Space FBLOS Principal
Advisor, DSTL

Nik Smith,
Regional Director
UK and Europe,
Lockheed Martin Space

Professor Anna Moore,
Director,
ANU Institute for Space

Todd Gosset,
Vice President, Space and
National Security Initiatives,
SES Space & Defence

On their advice the Global MilSatCom Conference is evolving to give you the best and most focussed ROI opportunities.

Building upon the three established events:

1. Pre-Conference Focus Day
2. Main Global MILSATCOM Conference
3. Graduate Careers Conference

2024 welcomes **two new** events

4. Global MilSatCom SME Expo & Innovation Stage
5. Championing Women in MilSatCom Forum

Global MilSatCom is free for Military and Government representatives worldwide

We are making it even more accessible for military and government representatives to join us. This year their attendance is free of charge! Meaning double the amount of military and government than any other year. Making Global the only place for you to connect with over 500 military and government representatives across four days.

NEW
for
2024

Championing Women in MilSatCom Forum

Providing a platform for women to join forces and share, triumphs, and chart the course ahead, this new event celebrates the ground-breaking women shaping the future of MilSatCom. It provides a pivotal opportunity to strengthen networks, unlock knowledge and opens opportunities to propel your career and the industry forward! Free* to attend for Women in the MilSatCom community.

*subject to approval.

NEW
for
2024

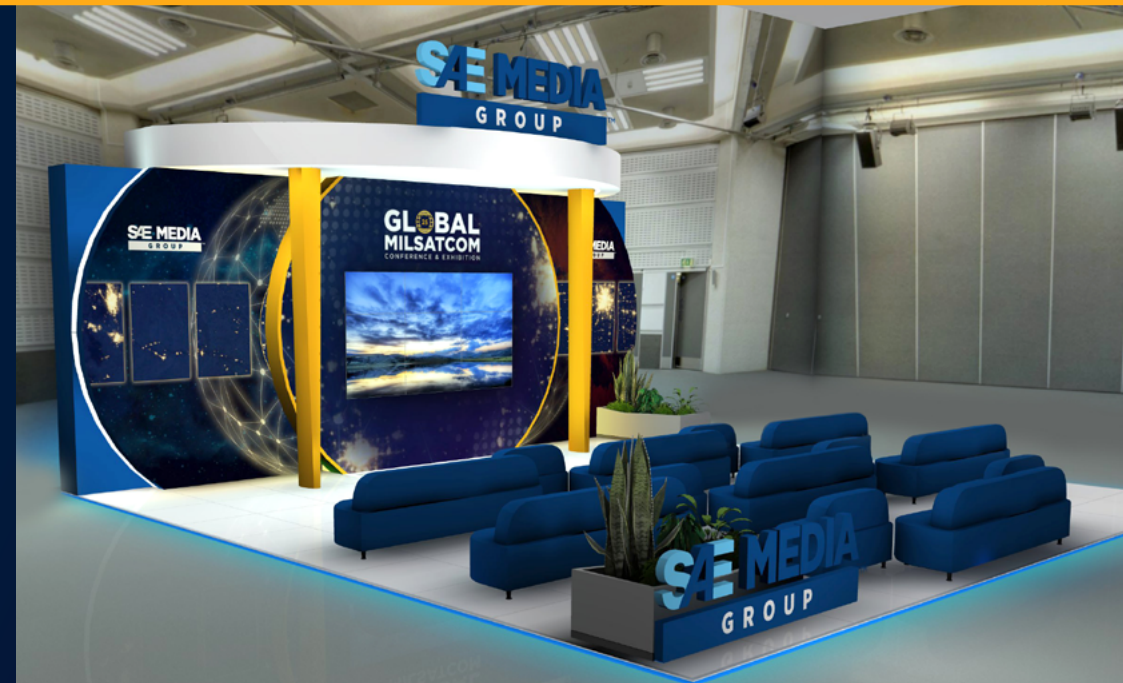

Network with the most senior, global and military audience in one place, supported by a **NEW Global Connect App**

Bringing together over 1,200 global MilSatCom professionals, we have structured the event so you can do business with the largest MilSatCom community and people you can't meet anywhere else. Supported by our NEW networking app, arrive with a full diary of meetings, arrange closed-door discussions, and interact in Q&A sessions with market leading speakers. Prepare to be amazed by the connections waiting to be made. **Networking with a difference.**

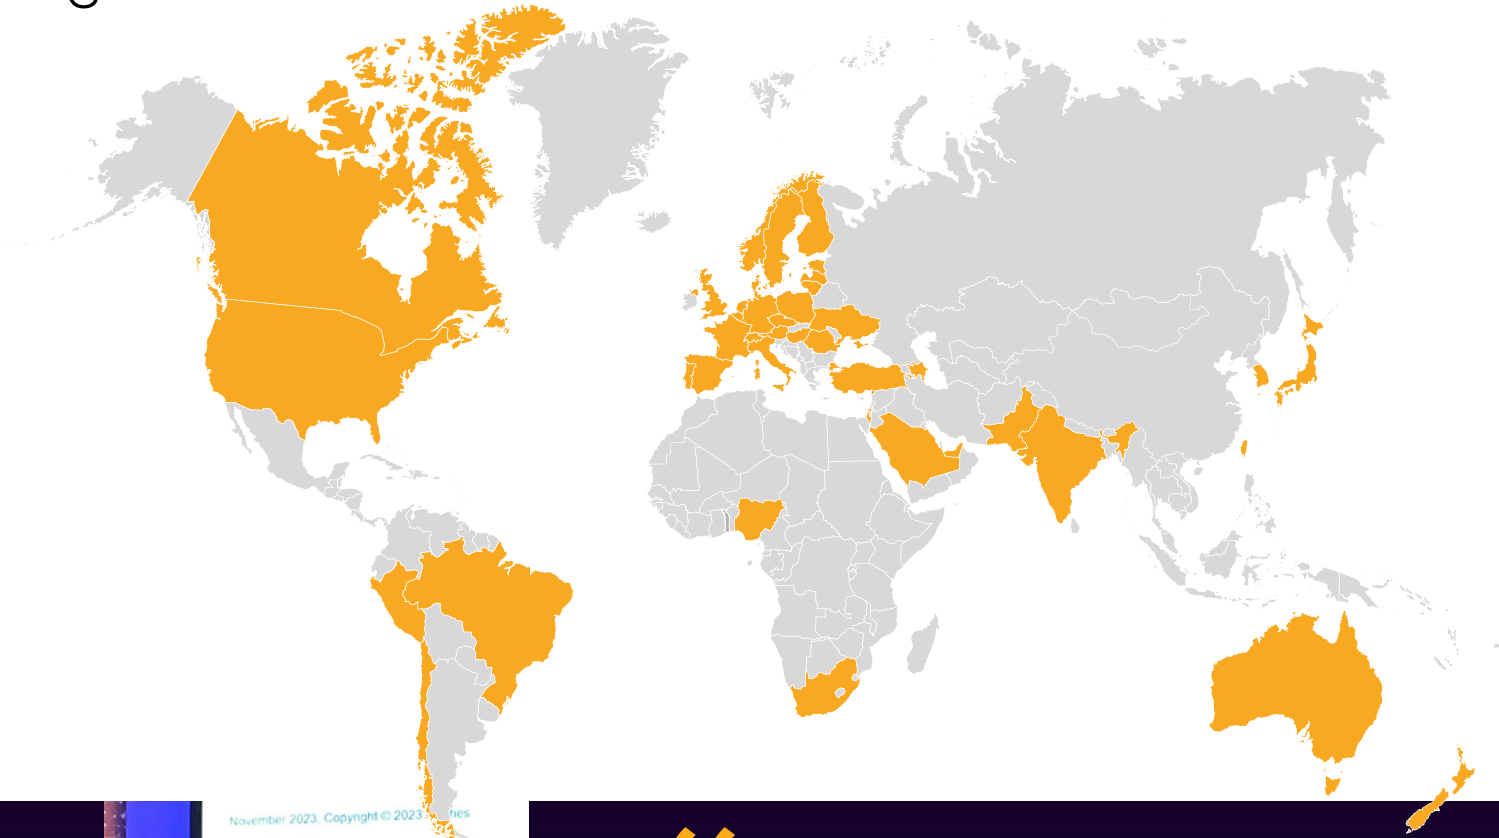

Powering SME growth through the new SME Expo and Innovation Stage

Specifically for SMEs, the new expo including a dedicated Innovation Stage, provides you with the opportunity to showcase your cutting-edge services and get face to face with the largest, most senior decision making MilSatCom audience from across industry and government.

Don't miss this chance to be at the centre of the conversation shaping tomorrow's technology.

Intrinsically global – not just part of the name but part of our philosophy. No other event gets attendees from over 45 countries.

- Australia
- Austria
- Azerbaijan
- Belgium

What your sponsorship looks like

With a range of packages and bespoke options available tell us what you want to achieve and we will help you get there

Only at Global MilSatCom can you...

Be a part of the most senior line-up of speakers

The three day main conference brings together influential leaders from across industry and government. You'll gain maximum exposure by speaking to the entire audience with our refreshed single stream format.

Engage in a highly topical Focus Day

Get specialist connections and insights on the hottest topics at the pre-conference Focus Day.

Forge the future at the Graduate Space Careers Conference

Focussing on developing the future space talent, this co-located conference will be attended by over 150 university students – supported by the SAE Foundation.

Find out more about the Grad Stream here

Check out last year's Show Daily Guide

Plant your flag at the centre of the MilSatCom community

Don't get lost in the crowd; maximise your networking presence through private meeting rooms and versatile exhibition packages.

Extend your reach to 10,000+ space professionals

Be part of this exciting interactive digital publication, distributed each morning to all delegates and speakers with bonus circulation to defence industry decision-makers through Aerospace & Defense Technology magazine — the official Global MilSatCom media partner. Total daily circulation: 10,000+.

“Global MilSatCom is a great opportunity for us to come together and exchange and learn what the community are doing and look at future capabilities.”

Patrick Wood, Airbus,
SVP Space systems UK
