GLOBAL MILSATCOM

KEY INSIGHTS

“Enjoyed the opportunity to speak with a fantastic audience as part of Global MilSatCom in the UK earlier this week”

Daniel Gizinski, Comtech

“The amount of buzz... it just gives us the opportunity to network, to build partnerships, to interact with customers and innovators across the sector. Without that connection, we can't make the difference that we want as a company in the space sector”

Nik Smith, Regional Director UK and Europe, Lockheed Martin UK space

“This is the first time we've exhibited at Global MilSatCom, this event in particular is very important to us. The contacts that we are going to gain from this are like nothing else. This is definitely the event to be at, for sure”

Matthew Humphreys, Sales Director, Intellian
