

Andy Oppenheimer, CBRNE and Counter Terrorism Consultant, Andy Oppenheimer

Andy Oppenheimer AIExpE MIABTI is a UK-based analyst, author and lecturer in CBRNE (chemical, biological, radiological, nuclear weapons and explosives) and counterterrorism. He is Editor of *Chemical, Biological & Nuclear Warfare* and former Editor of *Jane's Nuclear, Biological and Chemical Defence*. He is an Associate Member of the Institute of Explosives Engineers and a Member of the International Association of Bomb Technicians and Investigators. His book *IRA: The Bombs and the Bullets - A History of Deadly Ingenuity* (Irish Academic Press, 2008) is acknowledged as the definitive title on the military campaign of the Irish republican movement and is used in EOD (explosives ordnance disposal) training in the US and UK. He is also author of the CBRN Module and is writing the IEDs Module for the world-renowned Terrorism Studies course conducted by the University of St Andrews. He has written hundreds of articles for defence and security journals and gives conference and seminar presentations worldwide, including the fourth annual SMi Group Masterclass on Counter-IED.
